

University of Pittsburgh at Titusville

Meet Donny Swarmer *Registered Nurse*

UPT Graduate, 2008

Associate of Science, Nursing

My nursing instructors were second to none. They showed remarkable dedication and supported me every step of the way. I felt extremely prepared for the state board exams and passed on my first attempt. I can honestly say that my nursing instructors continue to serve as role models and resource personnel.

UPT's nursing program was the hardest task I've ever attempted, yet it also turned out to be the most rewarding. I'm so grateful that UPT was able to take a humble city kid, give him the tools to obtain a prestigious degree, and set him up for a good life.

-Donny Swarmer

Oliver High School Graduate
Pittsburgh, PA

Proud of who we are. . . Proud of what we do
