

Pitt Partnership Program

The University of Pittsburgh at Titusville and local businesses has joined efforts with the Pitt Partnership Program to offer a discount for Pitt-Titusville students. Every business participating in the partnership program has a banner like the one on the top of this page to indicate their participation.

It's simple and easy for students to utilize this program as a Pitt-Titusville student. Students just need to show their Pitt-Titusville Student ID Card at any of the businesses listed below to receive the discount (some exclusions may apply).
