Policy # C-3

POLICY: GRADUATION

Graduation requirements and program completion requirements are defined the same.

The following requirements must be met in order to qualify for graduation:

1) All course objectives must be achieved by:
   • Minimum of 76% theory grade in each nursing course
   • “Pass” clinical rating in all nursing courses having a clinical component.
   • Minimum of “C” grade (2.00) in each college course.

2) All financial responsibilities must be met.

3) The Director of the Financial Aid Office oversees the completion of the Financial Aid requirements.

4) All library and faculty books on loan must be returned and all UPT fines must be paid.

5) The approved nursing curriculum contains 72 credits. Students must complete 72 credits in order to graduate from the nursing program. Transfer credits that have been approved by the Office of Academic Affairs are acceptable toward the 72 credits. Human Systems, Freshmen Studies, Medical Terminology and other preparatory courses cannot be used to meet the 72 credit requirement.
