“It’s on Us” Campaign Against Sexual Violence

Students, faculty and staff were given an opportunity the week of February 2nd to “take the pledge” against sexual violence. Afterwards each pledger was given a t-shirt to wear to show their commitment and asked to sign the poster (see photo backgrounds).

Getting to Know UPT’s Library

How familiar are you with the library’s resources and services? Do you know what PittCat+ is? What Get It! is? What EZ-Borrow is? Do you know how to locate electronic books and electronic journal and newspaper articles? Do you know how to search PittCat+, PALCI, Academic Search Premier, Academic OneFile, Academic (Lexis/Nexis), National Newspapers, etc.?

The library’s Research Assistance Program (RAP) can help you find answers to the above questions and much more. RAP provides one-on-one assistance with term papers and other research assignments. It offers individualized instruction and practice sessions so that you learn how to make the most of the library’s electronic and print resources. Appointments can be scheduled at any time throughout the semester with Marc Ross, the library’s director. He can be reached at 814-827-4452 or m.ross@pitt.edu.

New Books Added to Haskell Library

The Empire of Necessity: Slavery, Freedom, and Deception in the New World. Grandin.
The carnivore way: coexisting with and conserving North America’s predators. Eisenberg.
Living oil: petroleum culture in the American century. Lemenger.
Physical chemistry: a very short introduction. Atkins.
Not that kind of girl: a young woman tells you what she’s “learned”. Dunham.
Zoom: how everything moves: from atoms and galaxies to blizzards and bees. Berman.
To end all wars: a story of loyalty and rebellion, 1914-1918. Hochschild.

Fordlandia: the rise and fall of Henry Ford’s forgotten jungle city. Grandin.
The biologist’s imagination: innovation in the biosciences. Hoffman.
Christ Child: cultural memories of a young Jesus. Davis.
Kids on YouTube: technical identities and digital literacies. Lange.
The Jesus movement and its expansion: meaning and mission. Freyne.
The doctor of nursing practice: a guidebook for role development and professional issues. Chism.
Starting a successful practice in clinical psychology and counseling: a guide for students in Psychology and new career psychologists. Bargreen.
The LPN-to-RN bridge: transitions to advance your career. Terry.

March 15th
2:00-10:00 pm

How to write better resumes and cover letters. Criscito.
The psychology major: career options and strategies for success. Landrum.
The chemistry of food. Velisek.
Parris Carter presented a workshop at the 9th Annual Leadership Summit this past Saturday at the Oakland campus. His workshop title was “Taking the High Road”: A Leader’s Walk in Values and Ethics. He is pictured left receiving a gift for presenting.

Several students and Graduate Resident Director, Kathleen Jensen, also attended the conference. They also met up with two former students; Chaz Berry and Tutu Wreh.

Pictured below are the students who attended.

**Black History Month**

During the Game Show

Thursday, February 19th
at 9 pm
in Boomer’s
An organization meeting of the UPT Guitar Club will be held on Friday evening, February 20, at 6:00 p.m. in Room 202AB of the Student Union.

The purpose of the meeting will be to approve the constitution, elect officers, review the club’s SGA approved budget, determine future meeting dates and appoint an advisor. In addition, an Eric Clapton signature series Martin Guitar and an Ultrasound acoustic amplifier will be demonstrated by Mr. Shoup and by some club members who desire to play it.

Since the kick-off meeting is primarily for organizational purposes, students who own guitars need not bring them to the initial meeting.

Again, club membership is free, and it is not necessary that club members own guitars or yet know how to play a guitar. Interested students should, however, at least have a sincere interest in either improving their guitar playing skills or learning to play a guitar while attending UPT.

Two or more guitars will be available on campus for shared use by students who do not own guitars.

Thus far, ten students have notified Mr. Shoup of their interest in joining the club. Other interested students may either contact Mr. Shoup by email at: reshoup@pitt.edu as soon as possible or should attend the organization meeting to be held on February 20.
Basketball Teams
Head to Playoffs

The women’s and men’s basketball teams will be competing for the WPCC Conference Championship this Friday, February 13th. The women will travel to CCAC South at West Mifflin. Game time is set for 6 pm. The winner of that game will play for the Championship on Saturday at the campus of the winner of the other semi-final game between Butler Community and Westmoreland Community. The higher seeded winner will host the game.

Our men are hosting Friday’s game with Penn-Highlands at our gym, also at 6 pm. The winner of the men’s contest will advance to a semi-final game Saturday, at either Boyce Community or Allegheny Community. The championship game will be played Sunday at the highest seeded team’s campus.

The women and men are excited for the opportunity to represent the Pitt-Titusville Community, especially on our home floor in the men’s game. The men would appreciate a crowded, supportive gym. One lucky student present will be selected for a nice gift.

Wear your blue and gold Friday and support the basketball teams in their playoff games!
Monica Makia, a freshman psychology major from Stroudsburg, PA, was the winner of a University of Pittsburgh t-shirt in the Book Center’s Discover Passport drawing held on Feb 2nd. Congratulations Monica!
