University of Pittsburgh at Titusville student, Kelcie Prinkey of Brookville, PA, has been selected as one of 207 Phi Theta Kappa members named a 2017 Coca-Cola Leaders of Promise Scholar and will receive a $1,000 scholarship.

The Coca-Cola Leaders of Promise Scholarship Program helps new Phi Theta Kappa members defray educational expenses while enrolled in associate degree programs. Scholars are also encouraged to assume leadership roles by participating in Society programs and are selected based on scholastic achievement, community service, and leadership potential. Nearly 1,000 applications were received.

The Coca-Cola Scholars Foundation provides $200,000 in funding for the scholarships, with $25,000 set aside for members who are veterans or active members of the U.S. military. The remaining amount is supported by donations to the Phi Theta Kappa Foundation and provides Leaders of Promise Global Scholarships, earmarked for international students.

“The Coca-Cola Scholars Foundation has a long history of providing financial assistance to outstanding students at community colleges,” said J. Mark Davis, President of the Coca-Cola Scholars Foundation. “We are proud to partner with Phi Theta Kappa, make it possible for more deserving students to achieve their educational goals, and support tomorrow’s leaders of the global community.”

The funds provided by the Coca-Cola Scholars Foundation not only aid college completion, but also give students the opportunity to engage in Society programs and develop leadership skills to become future leaders in their communities.

“Research shows that Phi Theta Kappa members are four times more likely to complete a college degree than their peers,” said Dr. Monica Marlowe, Executive Director of the Phi Theta Kappa Foundation. “The Leaders of Promise Scholarships recognize students for what they have achieved already and assure that financial need isn’t an obstacle to achieving their academic goals.”

Phi Theta Kappa is the premier honor society recognizing the academic achievement of community college students and helping them to grow as scholars and leaders. The Society is made up of more than 3 million members and nearly 1,300 chapters in nine nations.
The campaign is called “Put the Nail in It.” Pitt Titusville faculty, students and staff painted a fingernail purple, the color of the anti-domestic violence movement, to demonstrate their vow to end domestic violence and support survivors.
Flu Vaccinations

Flu vaccination will be available to all students free of charge, on a first come-first serve basis. Vaccination is mandatory, by the end of October, for all currently enrolled nursing students so do not delay and get it for free!

Payment and order forms needed by November 10th.

Pumpkin Rolls will be delivered on November 20th and 21st.. just in time for Thanksgiving!
On Sept 27th, the University of Pittsburgh-Titusville 2018 PTA cohort attended an orthopedic seminar in Meadville, hosted and presented by Dr. Molli, D.O. a world-renowned orthopedic surgeon, whose practice is Meadville-based with Orthopedic Associates of Meadville. Dr. Molli is an adult reconstructive/total joint orthopaedic surgeon and he specializes in hip and knee replacement as well as complex hip and knee revision joint replacement surgery. He presents nationally and internationally on hip/knee replacements teaching the innovative techniques he implements. An additional unique aspect of Dr. Molli’s care is that he provides in-depth patient education prior to surgery. Therefore, he hosts detailed seminars on his procedures, welcoming prospective patients and families. Our students have also had the privilege of being part of this experience. Dr. Molli’s enthusiasm, knowledge, expertise, and process are outstanding and therefore the UPT PTA students attended one of his unique seminars where they could learn more about these orthopedic approaches. We are grateful for opportunities like these in our own backyard!
4TH ANNUAL
HAUNTED
BALL HALL
Located on Murdoch Blvd., Titusville
OPEN 6PM – 11PM

For More Info
Call (814) 827-4429

Pitt-Titusville wants to hear from you!
Food & Housing Meeting

Monday, November 2
Tell us your thoughts about the housing and dining experience on campus!
7 pm in Boomer’s
* Passport Event
One of two water bottle refill stations has been installed on campus.

The first one has been installed in the J. Curtis McKinney Student Union across from the game room with plans for a second station to be installed in the near future in Haskell Memorial Library.

The quick-fill taps, which are attached to traditional water fountains, pour filtered water directly into drinking bottles.

The new stations have been installed in highly populated areas on campus for ease of access and will significantly cut down on cost and waste of traditional bottled water.
