Policy # S – 5

POLICY: STUDENT ORGANIZATION

POLICY:
It is the policy of the nursing program at the University of Pittsburgh at Titusville to involve the nursing students in the governance of the nursing program.

PROCEDURE:
All students enrolled in the nursing program are considered members of the Student Organization of the Nursing Program (Nursing Club).

The functions of this Organization is as follows:

1) To elect representatives from the nursing student body to Nursing Program committees and University wide committees. Student representatives are part of the nursing program Curriculum Committee.

2) To promote professional development of the students by encouraging membership in the Student Nurse Association of Pennsylvania.

3) To promote professional skills and exercise acts of good citizenship by providing service to University of Pittsburgh Titusville campus and the Titusville community by encouraging membership in the student organization. The Nursing Club is organized under the Student Life Office. It is considered a club on campus and it follows guidelines as mandated by the Student Government Association in the Student Life Office. The Nursing Club elects their own officers and has by-laws. These are available from the Student Life Office. The purpose of the Nursing Club is to develop professional skills, provide services to the University of Pittsburgh Titusville campus, the Titusville community and to encourage membership and service in other professional and community organizations.

4) A nursing program faculty member serves as an advisor to the club and assists in the activities of the club.
