Student organization policies and forms are subject to change throughout the academic year. The Student Organization Manual posted on the Pitt-Titusville website will contain the most up-to-date information and should be considered the resource for all policies and forms. Student organizations are responsible for knowing and abiding by the information contained in this and other pertinent documents.
WELCOME

Student involvement as an elected student leader or through active participation in student organizations on campus enriches the social and intellectual experience at the University of Pittsburgh at Titusville. As a student leader you contribute greatly to the process by not only supporting these activities but actively participating through planning, coordinating, volunteering and facilitating them.

The Pitt-Titusville staff and faculty member are committed to providing you and your organization with as much help and support as possible. This manual will help guide you and your organization, whether you are starting an organization or growing an already established one. This should be your first resource when a question arises, but never hesitate to contact me regarding student organization information, policies, procedures, or information in general.

As a student organization leader or advisor you are responsible for knowing, understanding and following the policies put forth in this manual, as well as in the Student Handbook for the campus.

If you have any questions or concerns please stop by the Student Activities Office located in Student Union 217.

I look forward to meeting and working with you.

Best Wishes,

Stephanie Fiely
Director of Student Life
Mission Statement
The mission of the Office of Student Activities is to promote student involvement in activities and organizations, stimulate the exchange of new ideas, enhance student life and development, and provide the opportunity to develop social and interpersonal skills, with ultimate goals of leadership development and citizenship.

Office of Student Activities Information
The Office of Student Activities is located in Student Union 217. The office is staffed with a full-time director who is available to assist with brainstorming, leadership training, and who is an overall resource for student organizations and event planning.

Role of the Director of Student Life
As the person who oversees all clubs and organizations, the Director of Student Life is your main resource person. Periodically, the Director of Student Life will meet with or at least send emails to student organization leaders to assist with specific club concerns. If at any time your organization has questions or concerns about how to properly run a meeting, planning activities, event management, or other operations, it is best to contact the Director of Student Life. He/she can assist with planning and helping the group make the proper decisions about activities and events.

Club Policies & Procedures
Student organization presidents and advisors must attend scheduled information meetings with the Director of Student Life to ensure full understanding of the policies in this handbook. Student organizations who fail to follow these procedures will face consequences which may include suspension of recognition, loss of funding, or other actions.

Student Organization Requirements
To gain recognition by the University, a student organization must have an advisor selected from the campus full-time faculty or staff and must have final approvals of its constitution by the Student Government Association and on file in the Office of Student Activities. In addition, at the beginning of each term (fall and spring), the organization must furnish a list of current officers and members to the Office of Student Activities. During each academic year, all recognized groups must complete at least one fundraiser and one community service project.

As a quick reference, student organizations must:
1. Have at least five (5) active and enrolled student members;
2. Ensure all student officers are currently enrolled at the University of Pittsburgh at Titusville. With the exception of first semester students, officers maintain a minimum of a 2.0 GPA which will be verified at the end of each semester by the Director of Student Life;
3. Not restrict membership based on race, religion, nationality, gender, age, disability, sexual orientation or political conviction;
4. Meet with its members at least once a month;
5. Must complete at least one fundraiser and one community service project during the academic year;
6. Submit all required paperwork in a timely manner.

The University reserves the right to withdraw recognition from any organization due to violation of University, state or federal policy, failure to comply with student organization guidelines and procedures, failure to follow organization’s Constitution, or misuse of funds. An organization must be recognized in order to use University facilities or to apply for funding through the Student Budget Committee. All student organization suspensions and dismissals will be placed in writing to the student organization president and advisor. Groups may submit a letter of appeal to the Executive Director for Student Affairs within five business days of the suspension or dismissal. The Executive Director for Student Affairs, or his or her designee, has the right to overturn or uphold the student organization’s status with the campus.

In order to maintain active status, an organization must meet at least once a month with its general membership and complete one fundraiser and community service project each year. Failure to meet this minimum requirement could result in a loss of recognition and funding.

**Student Organization Registration**

All student clubs wishing to be recognized on campus must register annually with the Office of Student Activities. Recognition from the University of Pittsburgh Titusville entitles student organizations to the following:

1. Student activities funding.
2. Participation in leadership development programs.
3. Recognition at the Student Life Awards Banquet.
4. Privilege to post and program on campus.
5. Privilege to use campus facilities.
6. Privilege to sponsor events and trips using the campus vans and bus.

Student organization registration is required to be a recognized student organization on campus. It is a relatively simple process, and is associated with several benefits at Pitt-Titusville. For new student organizations this is the first step to becoming a recognized group at the University. The registration process includes completing a registration form, submitting a list of members, and writing a constitution and possibly bylaws for the organization.

**Student Organization Registration Policy**

In order to be a recognized student organization, the group must be registered with the Office of Student Activities. Registration shall be valid for one year from the date of registration until the end of the second week of the fall semester. If the required information is not submitted to the Office of Student Activities each year, the group will be considered inactive. Registered student organizations must have an advisor who is a full-time employee of the university as a staff or faculty member.
Starting a New Student Organization

To start a new student organization, organizing student(s) should complete the following process:

1. Meet with the Director of Student Life to indicate an interest in organizing a new student organization.
2. Find at least five students interested in being a member of the student organization.
3. Find a full-time employee of this campus willing to be the organization’s advisor; this can be a staff or faculty member.
4. Develop a constitution for the student organization. If you need assistance, schedule an appointment with the Director of Student Life who will assist you in developing and organizing the constitution. There is information in this manual about what must be included in all student organization constitutions. The Constitution should be given to the Director of Student Life to review and the organizing students should meet with the Director to discuss it. Based upon the feedback from the Director, the Constitution may need revised before it is submitted to the Student Government Association.
5. Complete student organization update form and advisor form and return both to the Director of Student Life.
6. Complete membership list form, indicating the student organization name, term and officers and email this to the Director of Student Life.
7. Receive notification of official registration.

New student organizations recognized during the academic year shall be permitted to submit a budget request for funding during the term it is formally recognized that does not exceed $500.

Student Organization Development
One of the biggest challenges that student organizations must deal with is sticking to their mission and providing a rewarding experience for their members. The Director of Student Life is always available for consultation and assistance to help you make that happen. Some ideas for creating a strong student organization are:
- Put time and energy into recruiting members who share a common interest and appreciate the mission of the student organization.
- Orient new members to the student organization.
- Set achievable goals that will progress the student organization. For example, a way to set goals is to follow the “SMART” goal setting – making sure the goals are specific, measurable, attainable, realistic and timely. Each goal should be clear and obtainable.
- Involve members in decision making. Students will support what they help create so let the members feel they have ownership in events and activities.
- Evaluate the student organization, programs, projects, experiences, etc. as often as possible.
- Develop current and future leaders through leadership trainings, mentoring/shadowing, and retreats.

Benefits for Student Organizations
There are many advantages to being a registered student organization. These benefits include:
- Receiving notifications about community events and activities which could lead to community service projects and fundraiser for student organizations.
- Mailbox for the student organization in the Office of Student Affairs (SU 203B) where notifications and flyers will be placed. All recognized student organizations receive a mailbox so you can place notification to other student organizations in their mailboxes as well.
- Being able to reserve rooms for meetings, activities and other events on campus.
- Being able to sponsor trips utilizing the campus vans and bus.

Constitution
Each student organization must have its own constitution to follow stating its name, purpose, and much more. The appendix of this manual has a list of what must be included in all student organization constitutions. Constitutions must be reviewed at least every other year to ensure it is being followed or to make amendments to it.
STUDENT ORGANIZATION FUNCTIONS

Membership
All students pay a student activity fee which funds the student organizations on campus. With this being said, student organizations should be open to all students, unless there is a specification in the constitution stating otherwise. Membership cannot discriminate based on race, gender, ethnicity, religion, sexual orientation, and political affiliation. Members of a student organization have a voice in the activities and events of that group.

Good communication keeps members involved with an organization. Most students are very busy people, and there are times when they will not be at meetings or unavailable. Routinely send out meeting notices, agendas, meeting minutes, updates, and requests for opinions and ideas which will keep members engaged with your organization.

Meetings
Meetings can have a couple of purposes with the most obvious being the discussion of business and making appropriate decisions. A second purpose for many organizations is taking time to socialize, bond members to the organization, and enjoy each other’s company. Some organizations separate business from social time while others run informal meetings that incorporate both. The degree of formality used for meetings is dependent upon the type of organization. It is important for your organization to periodically look at how your meetings are conducted, whether they accomplish their purpose and whether or not more or fewer meetings are required. It is also a good idea to shake things up once in a while by having refreshments, conducting an activity or doing something else to keep things from becoming routine.

Funding
To be eligible for student activities funds, a group must be an officially recognized student organization of the University of Pittsburgh at Titusville.

All organizations must submit a Budget Request Form to be allocated student activity funds. The form must be submitted to the SBC at a hearing that is scheduled by the Director of Student Life for the organization. Budget hearings will be noted on the activity calendar each semester and a memo or email will be sent to club president and advisor stated the dates and location. The president and/or treasurer of an organization must attend the hearing and bring seven (7) copies of their request to explain and answer questions about the club’s request to the SBC. The advisor for the organization does not have to attend the SBC hearing. No request will be considered without the advisor’s signature and the prior approval of the group’s membership, which are noted on the request form.

Student Activities Funds are primarily designed to pay for programming events for members of an organization or the campus community in general or for the general public.

Preference is given in this order:
1) Events open to all registered Pitt-Titusville students;
2) Events open to all Pitt-Titusville students, faculty and staff;
3) Events open to the campus community and the general public;
NOTE: ACTIVITIES FUNDS ARE GENERATED FROM FEES PAID EACH SEMESTER BY FULL-TIME AND PART-TIME STUDENTS. THEREFORE, EVENTS FULLY FUNDED BY ACTIVITIES FEES SHOULD BE OPEN TO ALL STUDENTS.

The steps for filing for an allocation include the following.

1. Develop a budget that meets the needs of the organization, making sure no expenses will violate University, state, or federal policy. The general membership must approve the budget and the organization advisor shall approve all budget requests prior to it being submitted to the SBC.
2. Prepare a budget request form with the expenses outlined and signatures of the organization president/treasurer and advisor.
3. Attend the scheduled budget hearing with the SBC. Hearing times will be sent via email to all student organization presidents and advisor at least five days before the budget hearings. Funds will be requested and allocated the term prior to optimize the full semester for programming and activities.
4. After the SBC hearing, the committee will allocate the funds that are appropriate to the activities and overall benefit to the University and its students. Once the allocation has been made, the advisor and organization president will receive notification of the amount allocated for that particular semester, just as the memos were distributed for the hearing date and time.
5. Vouchers must be submitted to expend monies from the organization’s allocation. The voucher must have the signature of approval from the organization president or treasurer, the advisor, Director of Student Life, and the Executive Director for Student Affairs.
6. At the end of each semester, a summary report must be filed listing what activities money was used for and the progress of the group. All monies should be accounted for on this form. This will be used as a guideline for the next semester’s allocation of the SBC.

After all the groups have been given an opportunity to submit requests, the SBC shall then allocate funds for the semester. The SBC may not allocate more than is available in the account from the collected fee that term. Allocation of new University funds shall not exceed $50 maximum per member based on total membership. SAB shall receive 60-70% of the Student Activities Fees collected for that semester and SGA will receive $500 per semester. The balance of the funds will then be allocated to organizations and clubs according to the allocation guidelines. After the SBC has decided on allocation amounts, the president and advisor shall each receive an allocation letter stating the approved funds allocated for the term.

Student Activities Fees may not be used for the purchase of alcoholic beverages, personal expenses, or unapproved expenses. Any questions regarding approved expenditures should be directed to the Director of Student Life.

Allocated monies may not be carried over from any organization from semester to semester or year to year. All unused money from the student activity fund will be added to the next semester’s total allocation to be redistributed.

Student Budget Committee
The Student Budget Committee allocates student activities funds. The SBC is made up of the following:
1. The Student Government Association (SGA) Advisor/Executive Director for Student Affairs.
2. The treasurer of the SGA or a designee.
3. Four students appointed by the SGA Executive Board and/or the Executive Director for Student Affairs.
4. The Director of Student Life.

All decisions are reached by majority vote of the students, faculty, and staff members on the committee. The SBC shall hear budget requests made within the designated time and shall allocate funds, as they are available. The SBC may meet at other times during the academic year to hear special requests or to resolve disputes regarding allocations or expenditures.

**Submitting a Budget**
1. Recognized student organizations may submit a budget request form.
2. Request forms should be as detailed as possible.
3. Budget requests are for the specified academic term, not the entire academic year. Allocated money does not carry over from semester to semester or year to year.
4. Budgets will be monitored by the Office of Student Activities, but the responsibility of tracking funds falls within the organization.
5. Funds will not be dispensed until all necessary registration forms are filed with the Office of Student Activities.

**Expending Funds**
Once an organization has its allocation approved by the SBC, it may proceed to use those funds **BUT ONLY FOR THOSE DESIGNATED ON THE BUDGET REQUEST FORM AND SPECIFICALLY APPROVED BY THE SBC.** The Director of Student Life, in consultation with the Executive Director for Student Affairs and if need be the SBC, must approve any variation from SBC authorized funds in advance. Any funds used for purposes other than those previously authorized will be deducted from the student organization’s fundraised money. The University will reimburse students for approved expenses purchased for the organization with appropriate paperwork and documentation.

Student activities funds are University funds and in accordance with the University of Pittsburgh regulations. **NO FUNDS MAY BE COMMITTED WITHOUT PRIOR AUTHORIZATION.** To obtain prior authorization, an organization must follow the procedures listed below. Any expenditure or commitment of student activities funds without prior approval or violating the reimbursement policy shall be the financial responsibility of the person making the purchase or commitment.

Receipts are due to the Office of Student Affairs for cash advances and reimbursements within five business days.

All payment vouchers and receipts must be turned in to the Office of Student Activities for payment by 5 pm the last day of classes each term. Any vouchers turned in after the last day of finals will be charged against fundraised money. If you are waiting on an invoice that will not be received before the last day of finals, you must notify the Director of Student Life in advance so the information may be recorded to be paid when the invoice is received.

**Deposits**
Any student organization with money to deposit from fundraising projects should bring all collected money to the Student Affairs Office (SU 204B) no later than the next business day.

**ORGANIZATIONS ARE PROHIBITED FROM MAINTAINING BANK ACCOUNTS OUTSIDE THE UNIVERSITY.**
Purchasing
A Payment Voucher must be submitted to the Office of Student Affairs no less than then two (2) weeks prior to intended purchase/event. The Office of Student Activities will figure out which method of payment will be used and will pay for purchases through one of the following methods:

Check: a hard copy check prepared and signed by the University of Pittsburgh at Titusville; checks can be issued and sent directly to merchants or picked up after 3:30 pm on Fridays from the Office of Student Affairs.

Purchase Order: a formal “IOU” prepared and signed by the University of Pittsburgh at Titusville account. PO numbers are submitted to merchants to ensure smooth business transactions. This payment method must be used for all apparel and large purchases.

General Reimbursements: no reimbursements will be made without original itemized receipts. The University of Pittsburgh at Titusville will only reimburse faculty or staff members for expenditures up to $200. Receipts for all reimbursements must be submitted for payment within five days of the payment. Failure to turn receipts in within five (5) days of purchase could result in a denied reimbursement.

Travel Reimbursements: club members and advisors are not encouraged to use their own funds for purchases. Reimbursements will be given in special circumstances and only when approved in advance for allocated funds. The exception to this rule is for travel purposes for University business, approved by the Director of Student Life and the Executive Director for Student Affairs, for student functions. Receipts for cash advances must be turned in to the Office of Student Affairs one week after the trip, event, or function. Failure to turn in receipts for expenses or receipts for a cash advance could constitute forfeiture of future cash advances or allocations. Repayment of unused portions of travel advances must be made by personal check or money order. Cash payments will not be accepted. Checks must be payable to the University of Pittsburgh and submitted with the request for reimbursement. Reimbursements for upfront deposits paid by personal credit cards will not be made until the trip occurs and will be made with the post-trip reimbursement. Airfare for travel must be booked through a travel agency. The Titusville campus uses the Travel Experience to book airfare and payment for travel can be made with a Purchase Order.

University Credit Card: The Office of Student Affairs can supply student organization advisors the university credit card for purchases at Wal Mart and Giant Eagle in Titusville. To use one of these credit cards, contact the Office of Student Affairs to make arrangements to pick up the card. Credit cards must be returned that business day if the office is still open after the purchase or the next business day if the office is already closed for the day. There is a tax exempt card with each card that must be presented to the cashier prior to ringing up the purchases.

EQUIPMENT may be requested under the following guidelines. Exceptions are made for uniform (shoe and t-shirt) purchases for student organization purposes and usage, with the approval of the Student Budget Committee.

1. Equipment purchased then becomes the sole property of the University and falls under University supervision;
2. Appropriate procedures must be agreed to and approved by the Office of Student Activities regarding use, storage, access to and inventory of all equipment.

CLOTHING PURCHASES are acceptable as a means for fundraising or to promote club spirit/unity among club members. The clothing allowance is set at a maximum of $5 per member. Additional fundraising money may be used to cover the cost of the clothing. Student organizations must submit a quote for the order with a payment voucher before any clothing order should be ordered so a formal Purchase Order can be filed. **Payments for clothing will not be made without a preapproved Purchase Order.** Licensed vendors must be used for all purchases; an updated list of approved license vendors is available online at http://grfx.cstv.com/photos/schools/pitt/genrel/auto_pdf/PittLicenseeList.pdf.

CONFERENCE registration fees should be paid using a University P-Card. Organizations should submit the conference registration materials and payment voucher for the registrations to be processed. Understand that this can take a week to process so be mindful if there is a deadline for registration. If your advisor has a University purchasing card, we can process the payment voucher for approval and he/she can make the registrations on the University P-Card and we can do an account transfer for the registration fees once it is charged on the P-Card.

CONTRAATS Only official University contracts can be used for events on campus. Any group wishing to go into a contract with a performer, agency, etc. must have a contract written by the Director of Student Life, with the approval of the University Business Office before the event. A certificate of insurance must be submitted with a W-9 for payment must accompany the contract before it can be reviewed for approval. For more information about contracts, contact the Director of Student Life.

DONATIONS cannot be made by using any campus allocated funds for donations, scholarships, political campaigns, or other charitable gifts. Student organizations can donate fundraised money to charities or special interests. Donations can also be made to the student organization, but that money must be deposited through the Office of Student Affairs as soon as the money is received.

FOOD PURCHASES are limited to $50 allocated per semester. Meetings with food may include (but not limited to) a recruitment meeting or club gathering. Other requests for food purchases for program refreshments, etc. will be reviewed separately. Like other expenses, student organizations must anticipate food purchases at the time of their budget requests to request the funds be allocated. The Office of Student Affairs does have a charge account at Fox’s Pizza in Titusville. If you wish to place orders with Fox’s Pizza and have the expense charged to the campus account, contact the Director of Student Life at least two business days before the food is needed to ensure proper ordering method. Catering through dining services must be arranged one week prior to the event with the food service director. (See Food Policy)

GIFT CERTIFICATES must be given as prizes to student winners or events or contests. **Checks will not and cannot be cut to students as prizes.** Gift certificates can only be given for the Book Center and Titusville Area Chamber of Commerce. To award a gift card/certificate, the card/certificate must be photocopied and the student must sign for copy as proof he/she received the gift card/certificate.

HONORARIUMS may be requested for honorariums or gifts if such gesture is in return for services rendered (i.e. consulting, presentation, lecture, demonstration, or other approved services). Not all
requests for these services may be honored during a given term, however the student organization’s fundraised money may be used to cover honorarium expenses.

MEMBERSHIPS are not able to be allocated from campus funds for any student or individual memberships to any organizations, including professional associations. Student activity money will be used for a campus membership to the National Association for Campus Activities (NACA) as it supports all student programs and the campus community and for music license agreements for the campus.

PARTIES, GIFTS, AWARDS may be requested on an annual basis for participation in the spring term Student Life Awards Banquet. All groups will be given the same allocation for end of the semester celebrations and gifts, if requested at the budget hearing. This amount will be determined by the Student Budget Committee each term. If the student organization wishes to spend more money on recognition gifts or club celebrations, fundraised money may be used.

TRAVEL requests are reviewed as part of the Student Budget Request each semester. The vehicle policy is noted in this manual for all student organizations to follow.

1. Travel must be related to the mission, goals and necessity of the student organization.
2. The travel must be shown to benefit the University and its students as a whole.
3. The travel must be associated directly with the purpose of the organization and have educational benefit for those participating.
4. Any time you are taking a trip – whether it is to a service project, fundraiser, field trip, etc. the Student Travel Authorization Form must be completed which includes a list of all who are participating. This form must be given to the Director of Student Life at least one week prior to departure.
5. A Pitt-Titusville faculty or staff member must accompany all overnight travel and be with students during the transportation to and from the event, as well as during the event. Allocated funds may cover advisor’s expenses, along with the attendees traveling.
6. Recreational travel may be funded if it is open to all Pitt-Titusville students and advertised as such in advance.
7. The University does not permit personal vehicles to be used for student organization transportation to/from events or programs. All students participating in student organization events and programs must travel in a University owned or University rented vehicle.
8. Hotel rooms for all travel must be put on an advisor’s credit card and reimbursed after the trip. If extenuating circumstances arise regarding the need to prepay for hotel rooms, advisors should consult the University’s policy for pre-approval for advance travel needs.
9. Travel expenses cannot exceed more than $300 per student attendee in any term.
10. Airfare for travel must be booked through a travel agency. The Titusville campus uses the Travel Experience to book airfare and payment for travel can be made with a Purchase Order.

FOOD SAFETY GUIDELINES FOR SERVING HOT AND COLD FOODS: The following food safety information will help prevent a food-borne illness when serving hot/cold foods:

KEEP HOT FOODS HOT!
- Hot foods need to be kept at 140F or higher. Hot foods should be brought to a potluck event in a crock pot or other heated food container with the food temperature already at 140F or higher. The heated container should be plugged in immediately (or the flame heater lit) to maintain a temperature of at least 140F. Any hot foods brought in non-heated containers need to be placed in a heated oven to maintain a food temperature of 140F or higher.
- A food thermometer (metal stem) should be used to check the temperature of hot foods when they arrive, and every 30 minutes during holding and at the time of cooking if grilling has been approved to take place.
- Make sure that the hamburger or ground beef in any dishes has been thoroughly cooked - there should not be any visible pink color. If grilling has been approved, ground beef patties need to be heated to an internal temperature of 155F for 15 seconds to deactivate any pathogenic bacteria (such as E. coli).
- Hot foods that have cooled to room temperature should not be reheated; throw them away.

. . . AND COLD FOODS COLD!
- Readily perishable cold foods (such as pasta salads, cold cut meats and potato salads) need to be kept at a temperature of 40F or below. It is best to keep cold foods in a refrigerator until just ready to serve. If you do not have access to a refrigerator or there is not enough room in the refrigerator, use an insulated cooler and pour ice on top of sealed food containers.
- Two hours is the maximum time food should be left un-refrigerated.
- A food thermometer (metal stem) should be used to check the temperature of cold foods when they arrive and every 30 minutes to see if the refrigerator or insulated cooler is keeping foods properly chilled.

FOOD HANDLING AND PROTECTION
- Everyone needs to thoroughly wash his or her hands before working with foods.
- Keep beverage ice separate from ice used to chill foods in a cooler; and do not handle ice with bare hands - use a clean cup or scoop.
- Keep food and utensils covered until serving time.
- Food should not be exposed to temperatures above 40F and below 140F for more than 4 hours including preparation and transportation time.
- Do not take leftovers home - toss them out. The food has been handled by many people and may be contaminated.
Community Service
Community service projects will give Pitt-Titusville students a broader perspective on their extracurricular involvement and improve relations with the Titusville community. Each student organization is required to perform one community service project an academic year in order to receive any allocations from the Student Budget Committee. All organizations must submit in writing its plans for a community service project by completing the Community Service Project Request Form in this handbook at least one week prior to the service project. **Student organizations may not donate any allocated funds from Student Activity Fees**, only proceeds from organization fundraisers or private contributors can be donated to charity.

Fundraising
A fundraiser is any event or sale where a student organization collects money. All student organizations must complete one fundraiser each academic year. Fundraising activities are recommended to help a club or organization raise money to support their various programs. Earned funds raised through fundraising may be used towards the purchases of food, clothing, member rewards, travel, and other spending. Revenue spending must still be approved via the purchase request form. Student organizations must seek approval from the Student Activities Office before conducting a fundraiser. Fundraising request forms are due to the Student Activities Office no less than one week before the fundraiser is planned.

Revenue must be delivered to the Office of Student Affairs to be deposited in the student organization’s account the next business day from the time of collection. Clubs will receive a receipt once the money is deposited.

The fundraising policy for student organizations is:
1. No organization may participate in more than one fundraiser at one time.
2. Proposals for fundraisers must be submitted in writing, using the fundraising request form in this manual for approval. The request must be submitted prior to committing to and beginning any fundraiser.
3. The Office of Student Activities will approve fundraisers according to need.
4. Fundraising ideas and needs should be addressed in the SBC Proposal detailing how the organization is planning to raise the money and what the money will be used for.
5. Fundraising monies or private contributions must be deposited through the Office of Student Affairs within one business day. This money will be deposited and the student organizations can make a donation to local charities, service organizations, scholarships, etc. with the profit.
6. Fundraising money will carryover.

**FUND BALANCES** shall revert to the Student Activities Fee Account for any unused allocated money each term. This includes unexpended funds from specific events that were cancelled or under budget. Unexpended “earned” funds from fund raisers and donations shall carryover. Any accrued deficits also carryover to the next academic year.
Programming
Programming for student organizations covers a lot of ground. It can include group activities, a campus-wide program or event, or community service projects. Carefully consider how programming opportunities relate to the purpose and goals of your organization and select those opportunities that are the best fit. Great organizations plan, promote, and participate in programs in an energized and high quality manner.

Planning Events and Programs
Student organizations must inform the Office of Student Activities of any planned activity in order to avoid conflict of dates, rooms, and services. The information below is useful when planning an event or program at the University of Pittsburgh at Titusville. Student organizations have a special room reservation form which must be completed in its entirety and filed with the facilities office at least one week before the event.

Food Service Needs
Student organizations that have been approved for food purchases may arrange for catering for on campus events through dining services or may have the Director of Student Life order food from Fox’s Pizza. All food requests must be made at least seven business days in advance to the food service director or at least two business days prior to an event through the Office of Student Activities. If you are ordering food from another vendor or bringing food onto campus, it is the groups’ responsibility to ensure the proper supplies are taken to the event. Groups cannot expect dining services to give napkins, cups, plates, utensils, etc. for free. It is the group’s responsibility to clean up the food, boxes, trash after the event, including taking items not able to fit into the trash cans properly to the dumpster.

Media Equipment
Requests for media equipment must be made in advance when reserving a room by noting needs on the Room Reservation Form.

Facilities
Any recognized Pitt-Titusville student organization can reserve a room on campus by submitting the student organization room reservation form at least one week prior to the event to the Conference & Facilities Use Coordinator by calling campus extension 5667 or faxing the form to campus extension 4475. Reservations are honored on a first come/first serve basis. Publicity must not be posted until a room reservation is confirmed. Failure to comply with this will result in cancellation of the event. The advisor must be present when using any campus facility for meetings and events. Campus Police will not permit organizations to meet or use facilities without the advisor present.

Film/Video
All motion pictures are subject to copyright laws. Sales or rentals of these videos from a retail outlet do not allow the purchaser or renter to show them in public places. Use of videos rented or purchased outside the college library is illegal unless the film has been secured from a distributor who can sell public performance rights to that film.
Traditions
Most great organizations have some long-standing traditions - annual events, a logo, standard t-shirts or sweatshirts, ways in which they run meetings, start and end the year or welcome new members. Traditions make an organization unique, and they help members realize they are a part of something special. If your organization has traditions, be sure to maintain them. If it doesn’t, consider establishing a few.

Publicity
We encourage student organizations to utilize their designated block on the student organization bulletin board near the Student Union Front Desk to advertise meetings, events, programs, etc. The following policies apply:
1. All posters and flyers posted on campus bulletin boards must be approved by the Director of Student Life or another member of the Division of Student Affairs staff. Unauthorized materials will be removed and discarded.
2. It is the responsibility of the organization to post its own flyers within 48 hours of the event.
3. Posters and flyers may only be posted on bulletin boards; no posting may be done on painted walls, glass, or doors.

Student organizations may have their flyers copied in the Office of Student Affairs once the flyer has been approved by the Director of Student Life or a Student Affairs staff member. To use the machine, make sure you have the copy code provided to the president and advisor by the Director of Student Life each academic year. The number of copies may not exceed 100 per event, unless permission is given by the Director of Student Life. The copy machine will only make black ink copies on white or colored paper. To print color ink copies, the flyer must be emailed to the Director of Student Life to print to the color printer. There is a fee for copies, this amount will be deducted each month from the organization budget and needs to be accounted for the student organization budget each term.
Logo and Licensing
The University of Pittsburgh established a policy regarding imprinted merchandise. Any group wishing to use the University name, seal, or logo must receive approval through a licensed vendor. This means that all t-shirts, pens, keepsakes, etc. bearing Pitt-Titusville, Pitt, Panthers, etc. must be purchased from a company who has a collegiate license for the University of Pittsburgh. Royalty fees may be added to your order with this policy. A complete list of licensed vendors can be seen at http://grfx.cstv.com/photos/schools/pitt/genrel/auto_pdf/PittLicenseeList.pdf.

Each student organization has a mailbox in the Office of Student Affairs. This mailbox must be checked regularly. If you would like to send a mailing to all of the club and organizations that are registered through the Office of Student Activities, please ask for assistance and we will help. If you are sending an external mailing please note that all mailings must have the University of Pittsburgh at Titusville return address.

Event Contracts
Student leaders and student organization advisors are not legal agents of the campus and are not authorized to sign any contract or rider for professional services, entertainment, travel, catering, and any other binding agreements that commit University funds or facilities. All contracts must be University of Pittsburgh contracts which should be created and signed by the Director of Student Life.

In addition, the student organization or department reserving the vehicle, whether it is a University or rented vehicle, will be charged for the fuel in the vehicle.

University cars are not available for student use.

Per the University of Pittsburgh Travel and Business Expenses policy revised in 2009:
Use of a personal vehicle for business is strongly discouraged primarily due to the personal liability the vehicle owner automatically assumes. The vehicle owner’s automobile liability insurance coverage is primary coverage. There is no physical damage coverage through the University on a personal vehicle. The employee is responsible for the deductible portion of the personal collision coverage and for any increased personal automobile insurance premiums as a result of an accident. No reimbursement will be made by the University for accident-related repairs.”

The Pitt-Titusville Policy on the Use of Campus Vehicles revised in 2009 states:
For trips longer than 250 mile: two drivers are required, vehicles are limited to ten hours on the road per day, drivers must change every three hours, and driving is prohibited between 11 pm and 6 am.

Any rented vehicle must be reserved through the Purchasing Office in Bennett Davis Hall at campus extension 4401. Age restrictions apply to drivers of University vehicles and rented vehicles.

**Recognition**

Appreciating people for things they’ve accomplished is the best way to ensure that good things keep happening. It is important that in your organization, and in the student body as a whole, for leaders to be recognized. The following are some ideas for recognizing the efforts of leaders.
**Student Life Awards Banquet**
The event is coordinated by Division of Student Affairs. It is held at the end of every spring to recognize student leaders and acknowledge achievements and participation in Student Affairs programs including student organizations, residence life, athletics, and intramural sports. Student organizations may participate in the banquet by giving out awards and/or small tokens of appreciation to officers and outstanding members.

**Individual Organization Awards**
It is not possible to invite all your student organization members to the Student Life Awards Banquet, but it is advised that student organizations recognize members with other signs of appreciation. Certificates of recognition and free food are two simple things that can be offered in appreciation.

Whatever your group decides to do, keep it in the spirit of giving back and you will gain your desired results. After all it is the members who invested their time and effort to help the organization succeed throughout the year.

**Student Organization of the Year Award**
This award is given annually at the Student Life Awards Banquet. The Director of Student Life and Executive Director for Student Affairs decide the award recipient based upon nominations. The criteria for the award are that the organization must be in good standing with the University and has been recognized as a Pitt-Titusville student organization for at least three years before being nominated.

**Student Organization Advisor of the Year**
This award is given annually at the Student Life Awards Banquet. The Director of Student Life and Executive Director for Student Affairs decide the award recipient based upon nominations. The criteria for the award are that the advisor must have advised a student organization for at least three years before being nominated.

You may also consider showing appreciation in other ways to your members. Some ideas include, but are not limited to:
- A thank you note/card;
- Announcements at the meetings;
- Candy and snacks in their student mailbox.
LEADERSHIP OF STUDENT ORGANIZATIONS

Officers
All student organizations must designate at least three executive positions/officers in their Constitution. The titles for the officers may be different by the nature of the student organization, however most student organizations designate four officers using the titles president, vice president, secretary and treasurer. The officers must be currently enrolled at the University of Pittsburgh at Titusville and maintain a minimum of a 2.0 GPA.

Officer Transition
Maintaining a successful student organization over a number of years is a difficult thing to do. Turnover in members and officers often occurs annually. Summer constitutes a sudden and lengthy break in operations. One thing to remember is that great organizations plan ahead to ensure quick start-up in the fall with well-trained officers. They also leave excellent records from the previous year which allows incoming officers to learn about the history of the position.

Role of the Advisor
Recognized student organizations are required to have an advisor who shall be a full-time member of the University of Pittsburgh at Titusville faculty or staff. The advisor should be able to assist the organization in all phases of its operations. The advisor must be involved in final club decisions, including being present at the meetings, outings and activities of the student organization. The advisor has the final decision and must approve the budget allocation request before the president and/or treasurer of the club submits the request to the SBC.

Involvement in campus organizations allows students to develop leadership skills as well as complement their education. In order to support these objectives it is important that faculty and staff be available to assist students. Advisors serve as influential role models for students and support the development of Pitt-Titusville students.

As an advisor to an organization, your job is to help the group meet its stated goals. Your first step should be to review a copy of the group’s constitution, which is available from the Director of Student Life. Once you are clear about the group’s purpose, you will need to decide how best you can direct the group toward achieving its goals.

A good starting point would be to discuss and clarify roles – yours as well as the group’s. How do the officers define their roles? How do committee heads view their jobs? What do members want from their advisor? At this initial stage, much of your job should be observing ways in which the group functions.

How are decisions made? How is information communicated between meetings? How effective are meetings? Are new ideas encouraged? Do members feel comfortable contributing their thoughts? By attending meetings, speaking with members and keeping up with group news, members will sense your concern and involvement. They will begin to come to you for advice on how to handle problems. Our best advice: Be yourself. Trust your instincts. Promote involvement and decision-making. Realize that
many of your members are going through stages of personal growth that may be reflected in their behavior as a group member. Learn not to take things at face value.

An advisor has four functions: to advise/counsel, to serve as a resource, to serve as a campus security authority, and to chaperone. Advisors provide direction by advising the group, understanding motives, and clarifying guidelines in order to help the group fulfill its objectives.

Many student organization advisors are uncertain of how much time they should put forth beyond attending meetings, community service projects, and fund raising events. Because each organization has a different purpose and requires a different level of student commitment, your involvement as advisor will vary with each club. The minimum level of advisor involvement is specified in the job description detailed in the advisor section of the group’s constitution. An advisor is responsible for overseeing the club officers, members, and activities. At the beginning of the school year, you need to sit down with your officers and discuss what expectations they have beyond the general job description. The students should communicate those additional expectations in writing by amending the constitution if expectations vary.

Most confusion occurs when expenses or projects are undertaken without the Director of Student Life or Executive Director for Student Affairs’ approval or the advisor not being included in the planning. If any confusion or conflicts arise, contact the Director of Student Life. He/she can clarify University policy and assist in mediating conflicts and improving communications. The key to planning ahead and completing all tasks properly is to be sure the Director of Student Life is aware of your group’s plans and intentions for each project.

The advisor must be involved in final club decisions, including being present at the activities. The advisor must approve the budget allocation request before the president and/or treasurer of the club submits the request to the SBC. He or she may only advise up to two student organizations at any given time.

It is important that faculty and staff advisors understand the responsibilities before making a commitment to a student group. Those responsibilities include, but are not limited to:

1. Assisting the organization in developing goals and objectives consistent with their mission and the mission of the University of Pittsburgh at Titusville. Be informed of the purpose and programs of the organization. Review a copy of the group’s constitution.

2. Be informed of University policies and procedures governing student organizations, the student body, the campus and the University as a whole.

3. Understand that as an advisor of a recognized student organization, you are considered a “Campus Security Authority” for the University. As such, you shall immediately report any crimes that you are made aware of to the Pitt-Titusville Campus Police.

4. Maintaining regular contact with the officers and general members of the organization, which may involve attending meetings and activities conducted by the organization.

5. Serving as resource to the organization and its members as needed. Be available to the officers and members of the organization on a regular basis for consultation.

6. Providing continuity during periods of student leadership transition.

7. Challenging/motivating officers and members to develop programs which will strengthen the organization and help it fulfill its goals.

8. Serving as a role model to the organization’s leaders and members, emulating those characteristics and behaviors they need to develop.
9. Remaining knowledgeable about the organization’s activities.
10. Maintaining regular contact with the Office of Student Activities.
11. Serving as chaperone for organizational events as a pre-requisite to the event being approved.
12. Discuss and clarify your role as the advisor with group members to avoid problems due to misunderstandings regarding roles and responsibilities. Promote involvement and discussion amongst group members.
13. Encourage the organization’s members to assume responsibility for its program and its effectiveness.
14. Attend all meetings, practices, events, conferences, trips, and outings of the student organization and help provide continuity for the organization. Supervise and attend organization events sponsored both on and off campus. A room or building will not be unlocked for students to gain access without the visibility of the advisor. The advisor is responsible for overseeing the event overall.
15. Approve all expenditures for the student organization.
16. Sign off on all room requests and room setup requests sent to the facilities office.
17. Be the contact for all press releases and publicity materials sent off campus.

An advisor must be a faculty or staff member at the University of Pittsburgh at Titusville. He or she may only advise up to two student organizations at any given time. Advisors will be required to sign an agreement of acknowledgement and understanding of their responsibilities.

Effectively utilizing an advisor

It is no coincidence that many of the great student organization have carefully selected an advisor and have devoted a considerable amount of time to developing and productive relationship. Advisors can provide valuable advice and a different perspective. They can also recount past experiences with the student organization. Your student organization should discuss with your advisor their level of involvement with the group so everyone is clear on the actions and expectations.

1. Notify the advisor of all meetings and events.
2. Consult him/her in the planning of projects and events.
3. Understand that although the advisor has no vote he/she should have speaking privileges.
4. Remember that the responsibility for the success or failure of the group project rests ultimately with the group, not the advisor.
5. Talk over any problems or concerns with the advisor.
6. Acknowledge that the advisor’s time and energy are donated and express appreciation.
7. Be clear and open about your expectations for your advisor’s role.
8. Periodically evaluate your advisor and give appropriate feedback.
Membership List

An updated membership list must be emailed to the Director of Student Life at the beginning of each term, before the Student Budget Committee hearings. The membership list should be sent as an Excel or .pdf file and include:
