City Streets Parking Reminder
The City of Titusville has an ordinance that all vehicles parked on city streets must be moved every 24 hours or they will be subject to issued parking tickets. Please be conscientious of this ordinance and be sure to move your vehicle if it is parked on the street every 24 hours. This is more critical during the winter months when there is snowfall, because of the need to plow the streets. The ordinance is enforced vigorously during inclement weather to allow the plow truck drivers to clear the streets. Students can purchase a parking permit in the Campus Police Office for $20 to park in the Student Union parking lot.

Pitt Mobile App Challenge
The Pitt Mobile App Challenge gives Pitt undergraduate students at all campuses a chance to share their mobile app ideas with the Pitt community and win some terrific prizes. This year's App Challenge features a chance in two categories (Show It and Code It) and the opportunity to win Amazon gift cards! All winners will be determined by a combination of student voting and scores awarded by a panel of judges. Students can participate by creating a visual mockup that shows how your app would work (our "Show It" category), or you can go all in and create a working prototype of your app (our "Code It" category). Submissions will be open January 16th and remain open until March 14th. Voting and judging will take place from March 26 - April 8. Choose your challenge and get started now! Ms. Marjorie Straub is the campus contact. You can learn more at pi.tt/appchallenge.

Learning Center Information
The Learning Center is committed to providing academic support and assistance to Pitt-Titusville students to positively impact their educational experiences and provide opportunities for continued learning and personal growth. The spring 2018 Schedule is accessible online: http://www.upt.pitt.edu/academics/learning-center

The Learning Center:
• is free and available to all Pitt-Titusville students
• asks that you please adhere and respect the Learning Center policies
offers academic and personal skill-building and tutoring
hosts monthly academic and professional workshops

If you have any questions, or wish to make an appointment with a tutor. Please contact, Mr. Ledebur, Learning Center Director, ledebur@pitt.edu or stop by the Learning Center inside the Library.
