Student Mail
All first class mail received by the Mail Center for resident students will be forwarded to your home address, for two weeks after the close of the semester. After two weeks, mail will be returned to sender. If you receive a UPS or FEDEX package, the Mail Center will contact you by phone to request instructions for forwarding your package. If you have any questions or concerns, please call the Mail Center.

Fall Housing
Students will complete the housing information online through the my.pitt.edu portal for the 2017-2018 academic year. Once you register for fall classes, you must pay your $100 room reservation fee in the Student Services Office in Davis Hall. Once that is paid, your account will be activated and you will be emailed the instructions to go online to complete your housing for next year. If you have any questions, contact Ms. Stephanie Fiely in SU 217 or stthomas@pitt.edu.

Multifactor Authentication
Multifactor authentication protects your privacy. Beginning May 14, it will be required to access CourseWeb and other services that leverage the University’s single sign-on service, Pitt Passport. Please register before May 14. Step-by-step instructions are available at http://technology.pitt.edu/multifactor.

Fall Program Ideas
Do you have an idea for a program you would like to see on campus or that you think others would like to see on campus? Do you have trip you think our students would enjoy? If you have ideas, please let us know because we are starting to plan the Fall 2017 activities calendar. Ideas can be given to a SAB member or Ms. Stephanie Fiely at stthomas@pitt.edu. Your feedback and ideas are important in our planning process!

Fall Class Schedule
The fall term (2181) class schedule is now available on the web at: http://upt.pitt.edu/sites/default/files/2181%20Fall%20Schedule%2004.19.17.pdf. What to do now???
1. Contact your advisor via email to make an appointment to meet and discuss your fall term classes and make a schedule.

2. You may also want to print out your Curriculum Check Sheet for your associate degree to make sure you are registering for the correct courses. They can be found on the Academics page, http://www.upt.pitt.edu/academics, under your major.

3. Check with our office to make sure you do not have any other holds on your account that will prevent you from registering.
   a. If you owe money for your tuition, fees, room and board, you will have a hold.
   b. If you have a fine, you will have a hold.
   c. Remind your advisor to take your Advising hold off as well – your Advising hold will prevent you from registering at your registration time.

4. Remember that you must put your classes in your Student Center in order to be registered. Your paper schedule does not mean you are actually registered.
