Orientation Leader Applications
Applications are available in the Student Affairs Office (SU 204) for August Orientation Leaders. Any student returning for the fall term who is interested in helping with New Student Orientation is encouraged to apply. Applications will be accepted until the positions are filled so don’t delay in applying for this leadership opportunity! For more information contact Ms. Stephanie Fiely in SU 217 or stthomas@pitt.edu.

Mock Interview Day
A mock interview offers students the opportunity to experience a simulated job interview, to learn what to expect during an actual interview and improve self-presentation skills. The mock interviewers (faculty and staff) will make the interview as realistic as possible while ensuring that you also have the time and opportunity to learn along the way. Our interviewers will use your real job descriptions or a job description that interests you to help you answer the questions you will see in a real interview. Remember to wear appropriate business attire to the mock interview, compatible with the company/organization environment with which you are interviewing as well as bringing with you copies of your resume and any other documents you feel would be appropriate.

Each interview will be 30 minutes in length. The mock interviewer will spend much of that time conducting the interview and will use the remaining time to provide constructive feedback. At any point during the interview, you are able to stop and request feedback on a specific question or interview topic. Mock Interview Day will also feature a keynote speaker at Noon in Haskell Auditorium as well as a Heath & Career Fair from 1 pm - 3 pm in the Student Union, Gymnasium. Register here: http://www.upt.pitt.edu/mock-interview.

- Offer applies only to the time when the session is in progress.
- Students are not allowed to move-in early or stay after their session.
- Students must move out of their room within 24 hours of the last day of classes for that session.
- The University does not store belongings between terms (spring to summer and summer to fall).
- Students falling below three credits or failing a course will be billed the full room amount.
- Offer does not apply to first-time freshmen or new transfer students.

Anyone interested in staying on campus for their summer courses should see the Office of Student Affairs to complete a housing application and contract. For more information, contact Ms. Stephanie Fiely in SU 217 or stthomas@pitt.edu.
