Need a Room Change?
Now that everyone is in the swing of things with the start of the new term, if you are in need of a room change, you need to make arrangements with the GRD about where you would like to move before you can move. Room Changes are offered only once per semester and will be taking September 9-20. It is your responsibility to communicate with your RA and GRD if you are considering changing rooms. Room Changes come in two forms:
1. One-for-one swap: students who know of another student who would be interested in swapping rooms. In this situation, all residents must speak with GRD Jenna Sutphin and agree with the swap.
2. Vacancy Pull-in: if a vacancy exists within a room or a Townhouse, you may request to move into this space.

*Note: If you are currently living in a private room, you will receive a letter inquiring whether you would like to pay a private room fee or receive a roommate. That form needs to be completed and returned promptly to the Office of Student Life in SU 217.*

As the resident seeking a room change you are responsible for deciding what this looks like. If you have questions about what vacancies are available to you, please talk with your RA or GRD. Once you’ve decided you want to move, you must email GRD Jenna Sutphin at sutphin@pitt.edu for permission. You cannot move rooms until you are given permission in the form of a confirmation email from the GRD. All room changes must be completed by Friday, September 22, 2017.
