Student Satisfaction Survey
This is your time to tell us what you think, how you feel, and what you want! Students are asked to complete an electronic student satisfaction survey. The information about the survey and a link will be emailed to all students Monday, October 30th. As students complete the survey, their name will be entered into drawings for giveaways. Please take a few minutes to complete the survey before November 20th. Everyone who completes the survey is entered into a chance for a $50 gift card. All survey results are anonymous.

RA Appreciation Week
We’d like to thank all our Resident Assistants for their hard work! This week we honor them for their dedication and encourage all residents to thank their RA for making your residence hall a great community.

STD Testing Tomorrow
STD Screening will be done by Adagio Health on November 2, 2017 from 10 am to 1 pm. This will be the last time Adagio will come to our campus unless there is student participation. The last time they were here, only two students had testing done, and they had bought four testers in to accommodate us. This is a free service, and only you get your results. Health Services is informed only of the number of students tested, and the percentages positive for an STD.

Screenings will be held in racquetball court #3, in the Student Union. The Nurse recommends that all sexually active students be tested, as most STDs can be treated with oral medication, and the earlier they are treated, the fewer complications develop.
