Fall Housing
Returning students will make the $100 room reservation fee and complete the housing information online through the my.pitt.edu portal for the 2018-2019 academic year. Once you register for fall classes, you must pay your $100 room reservation fee online through PittPay which will in turn activate your access to complete the online housing application. To pay your room reservation fee, log into your my.pitt.edu portal, select PittPAY, then select the “Make a Deposit” tab, then select the Titusville campus, and then click continue. This will take you through the housing and meal plan selection process and allow you to select your room for next year. If you have any questions or encounter issues when making your room reservation fee or
East Spruce Street Parking
Students brought to the attention of the Campus Police that they could not park on Spruce Street because the City of Titusville posted no parking signs on East Spruce Street. After investigating this matter and consulting with the Titusville City Police Department, we learned that parking between the signs is prohibited. The signs are placed at the intersection of East Spruce and Murdoch Boulevard to allow larger commercial vehicles the room to safely make the turn. Parking is still permitted along East Spruce Street, away from Murdoch Boulevard. Parking is prohibited by students in the Townhouse Parking Lots, except for short duration events like loading and unloading items from the Townhouse Apartments to or from your vehicle.

Currently enrolled students can receive a free double occupancy room this summer while enrolled for at least three credits at Pitt-Titusville. Important information to know before signing up for summer housing:
