Viewing Your Financial Aid Online

1. Log on to My.Pitt.edu and Enter User Name & Password

2. Click on “Student Center Logon”
3. Click on “Self Service”

4. Click on “Student Center”
From the Student Center Screen, you can view many things. For financial aid purposes please note:

A. View Financial Aid
B. To Do List – things that need completed before your financial aid eligibility can be determined.
C. Textbooks – connects you to a link to view textbook information for your classes.
A. View Financial Aid – Shows the years you received financial aid. Click on the year you want to view to access the Award Summary Screen. **This academic year is 2012-2013**

You will then be directed to the Award Summary Screen.

The Award Summary Screen shows your financial aid by year and a breakdown by terms.

To see when various parts of your award are scheduled to disburse (post to your student account) Click on “View Scheduled Disbursement Dates”
The Scheduled Disbursement Screen tells you:

**Award Description**
- Category – Grants & Scholarships = don’t pay back,
- Loans you pay back

**Amount Awarded/Accepted** – Actual amount of the award you received before any fee (if applicable).

**Fee** – These are generally loan fees assessed by the lender.

**Net Amount** – The amount actually posted to your student account after any fees are deducted.

**Scheduled Disbursement Date** – The date the award is posted or is estimated to post to your student account.
If you go back to the Award Summary Screen, note “Loan Details”

If you click on Loan Details you will be able to view the status of your loan. Do Not click on the “for more information” link, this will take you to the Oakland Campus website.
