Pitt-Titusville and BSU Sponsoring a Trip to Carnegie Museum

Pitt-Titusville, along with the Black Student Union, will be sponsoring a trip to the Carnegie Museum of Natural History in Oakland this Saturday, October 11th. The trip will be to visit the exhibit, RACE: Are We So Different?

This is a groundbreaking exploration of the experience of living with race in America. The exhibition weaves together personal stories of living with race along with expert discussions of the history of race as a concept, the role that science has played in that history, and emerging research that challenges

the foundations of what we perceive as race. Interactive multimedia components, historic artifacts, iconic objects, and compelling photographs offer visitors an eye-opening look at a topic that is fundamental to our shared human experience. Visit <http://carnegiemnh.org/exhibitions/default.aspx?id=22511> for more information.

Included with the admission to the museum, will be dinner at an establishment of your choice around the Oakland Campus. Seats are limited, so please sign up soon in the Student Affairs Office. We will leave campus on Saturday at 12 pm.

Plant Daffodil Bulbs on October 18th

Join us on Saturday, October 18th, and help plant 400 daffodil bulbs on campus. Last year we planted 400 bulbs in about a half an hour.

We will meet at the clock at 11am and receive some short instructions on how to plant bulbs. Wear old clothes; tools will be provided.

This is a passport event for freshmen; we are also urging RAs to help promote the event.
